

15 • L'expression du contraste

Avant de faire l'exercice ci-dessous, relisez la règle de grammaire sur l'expression du contraste à la page 236 de votre manuel.

Reliez les morceaux de phrases suivants en marquant le contraste. Vous utiliserez une fois chaque mot suivant : *nevertheless, although, and yet, even if, instead of*.

a) Electronic devices are booming / desktop PCs are unlikely to disappear.

.....
.....

b) Elderly people are quite reluctant to use these devices / they are targeted by computer companies as potential users.

.....
.....

c) Steve Jobs prophesied the post PC-era / major PC companies are thriving.

.....
.....

d) Plummet / many computer companies have increased their profits.

.....
.....

e) iPhones are sold by the thousands / other devices such as Androids are quite popular.

.....
.....
